

Top Gear 3014 & 3015 MX Tires Soft / Intermediate Terrain

Aggressive tread pattern is designed to handle a wide range of riding conditions

Enhanced 4-ply casing design gives excellent performance for varying track conditions, and offers stiffer sidewalls for quicker turn in and less deflection on whoops and bumpy terrain

UV resistant proprietary color compounds clean up with soap and water

Available in Red, Yellow, Blue, Green, Orange, Military Green, Black Camouflage Green, Urban Camouflage, and Desert Camouflage
