

## Sportbike Customs Winner - Southern California II

Tim Tran's *Red Dragon*

Tim Tran brought out some incredible bikes in Long Beach; unfortunately, we can't seem to procure another image of 'Red Dragon' (pictured above), which ended in a tie for the Southern California show amongst our largest collection of sportbikes for the season.

Tran's bike is a custom CBR 1000RR with nitrous and a full Jardine RT5 exhaust, in addition to his massive amounts of chrome courtesy of Chrome Effects and South Bay Chrome. So Cal Moto did the paint.
